

directions to blue sky

How to find us

Our offices are situated in Accrington town centre, on the corner of Eagle Street and Willow Street. Willow Street is a one-way street with parking on both sides, but this is restricted to one hour. Some of the surrounding roads are also one-way streets with parking restrictions, so we have indicated the nearby car parks on the map.

Travel by car

From junction 7 of the M65, proceed towards Accrington along Dunkenhalgh Way (A6185) and onto Hyndburn Road (A69) to main roundabout, beneath stone viaduct, and then follow the map. (Turning off round-about signed as STATION, TOWN CENTRE, GLOBE CENTRE).

From end of the M66 continue onto the Edenfield bypass (A56) taking the turning for Haslingden / Accrington in order to continue along the A56. At the roundabout turn left (past Little Chef) onto Manchester Road (A680) for approximately 2 miles, and then follow the map from the Fire Station.

Travel by train

Accrington train station is approximately 100m from our offices (indicated on map).
