

directions to blue sky

blue sky's head office is easy to find, within metres of Junction 1 of the M60 at Stockport.

Drivers approaching on the M6 should exit at Junctions 19 or 20A and head towards Manchester/Stockport on the M56, then the M60 eastbound [signposted Stockport/Manchester Airport].

Leave the M60 at Junction 1 [signposted Stockport West] – look out for the Co-operative Bank pyramid building – and proceed around the roundabout to the right [signposted Stockport West, Cheadle and Yew Street].

Drivers from the east/north east should proceed around the M60 in a clockwise direction, leaving the motorway at Junction 1 – just after the large viaduct arches. Turn left off the exit [signposted Stockport West, Cheadle and Yew Street].

Turn immediately right into Yew Street by the pyramid and follow the road around to Kings Reach entrance and Building 1000.
